Yanga GCEYA

POET

Yanga Gceya, also known as Yanga Gee, is a dynamic MC, storyteller, and poet whose work blends art, activism, and education. Originally from Umtata and now based in Cape Town, Yanga has hosted events for organisations such as WWF-SASSI and Abalobi, bringing energy, connection, and purpose to every stage.

By day, Yanga is an environmental educator and programme manager with the award-winning international NPO Captain Fanplastic, as well as a communications consultant. Beyond this, he dedicates his time to human rights advocacy, working with international organisations on HIV/AIDS, social justice, substance use and abuse, and mental health interventions.

Through poetry, workshops, and public speaking, Yanga uses storytelling as a tool for education, behaviour change, and social transformation, inspiring audiences across corporate, community, and cultural spaces.
